Assemblyman Nakanishi and Supervisor Novelli to Address Health Care at Town Hall Meeting

(Lodi, CA) — Assemblyman Alan Nakanishi (R-Lodi) and Amador County Supervisor Ted Novelli will host a Town Hall meeting on health care, Monday, December 3rd, at 1:00pm. The meeting will be held at the Amador County Senior Center, 229 New York Ranch Road in Jackson.

“I have received numerous calls from frustrated constituents in my District in respect to health care in California,” said Nakanishi. “The Governor has called a special session of the Legislature to address health care reform. I wanted to take this opportunity to update the community on what’s being done on this important issue.”

Assemblyman Nakanishi is a licensed Ophthalmologist and currently serves as the Vice Chair of the Assembly Health Committee.

Assemblyman Nakanishi represents California’s 10th Assembly District, which encompasses all or parts of Amador, El Dorado, Sacramento and San Joaquin Counties.
